

# 1<sup>st</sup> International Explosives Conference

30 June – 2 July 2020

**Location:** Victory Services Club, Marble Arch, London

**Time:** 10am (BST)

## Save the Date

Cranfield University in conjunction with the UK's Centre of Excellence for Energetic Materials and the Sector Skills Strategy Group is hosting the inaugural UK based **International Explosives Conference 2020**. The location is now confirmed as the Victory Services Club near Marble Arch in the West End of London. The dates are 30 Jun – 2 July 2020.

## “Future Developments in Explosives and Energetics”

The event theme is future developments and content is very much aimed at the science of explosives and energetics. By design it is unclassified with a view to generating a truly international mix of speakers and delegates. The principal themes include, but are not limited to:

- Energetic Materials and Characterisation
- Manufacturing and Processing
- Response to Stimuli
- Advances in Experimental Techniques and Diagnostics
- Theory, Modelling and Simulation

The format of the event will be:

- Day 1: Keynote, presentations, plenaries and drinks reception.
- Day 2: Presentations, plenaries, Three Minute Thesis, Posters, Keynote and evening dinner
- Day 3: Presentations, plenaries, keynote, awards, lunch and departure on completion

We will issue a ‘call for papers’ shortly including the dates the abstracts will be required by. We anticipate abstracts to be required no later than January 2020.
